Mayor

Subject: Resolution Approving a Maintenance Map for a Portion of SW 152 Street Between 686 feet East of State Road 5 (US-1) and 960 feet thereof, in Section 28, Township 55 South, Range 40 East; Authorizing the Chairman and Clerk of the Board to Certify the Maintenance Map and Authorizing the Recording Thereof Among the Public Records of Miami-Dade County, Florida

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution approving a Maintenance Map for a portion of SW 152 Street between 686 feet East of State Road 5 (US-1) and 960 feet thereof, authorizing the Chairman and the Clerk of the Board of County Commissioners to certify the same, and authorizing the recordation thereof in the Public Records of Miami-Dade County (County), Florida.

Scope

The subject road is located within County Commissioner Daniella Levine Cava's District 8.

Fiscal Impact/Funding Source

There is currently no increase in maintenance costs to the County as a result of this action.

Track Record/Monitor

The Department of Transportation and Public Works (DTPW) is the entity overseeing this project and the person responsible for monitoring this conveyance is Leandro Oña, P.E., Chief of the Roadway Engineering and Right-of-Way Division.

Background

Southwest 152 Street between 686 feet East of State Road 5 (US-1) and 960 feet thereof, has been constructed and maintained continuously by the County for over four (4) years. Therefore, in accordance with Section 95.361 of the Florida Statutes, title to a road maintained by the County for over four (4) years shall be deemed to be dedicated to the public and vests in the County. Pursuant to such statute, the filing of a Maintenance Map in the Office of the Clerk of the Court, which has been certified by the Chairman and the Clerk of the Board is deemed prima facie evidence of that ownership by the County.

The subject Maintenance Map has been executed by the Chief of the Road, Bridge and Canal Maintenance Division of DTPW, thereby certifying that the County has maintained this road for over four (4) years. It is therefore recommended that the attached Maintenance Map be approved by the Board, after which it will be certified by the Chairman and the Clerk of the Board and recorded in the Public Records of Miami-Dade County, Florida, in accordance with Section 95.361 of the Florida Statutes.

Honorable Chairman Jean Monestime
and Members, Board of County Commissioners
Page No. 2
